

## **Advanced Practice Medical Professional**

Position: Contract

Direct Support: Clinical Team, Management Team, and Client Support Team

## **Location**

Fayetteville, NC

## **Summary/Objective**

Perform pre- and post-hire medical evaluations for FMRT's safety-sensitive client agencies. Four to twelve medical evaluations are scheduled one day per week in an FMRT location. Professional fees are per evaluation and are provided the first week of every month. Minimal paperwork is required, and there are no on-call obligations. This position offers a chance to promote wellness and awareness to our public safety workforce and network with other like-minded professionals.

## **Core Functions**

- Pre-employment Physicals
- Annual Physicals
- Firefighter Physicals
- Drug Tests
- EKGs
- TB Test
- Medical Fitness for Duty Evaluations
- Follow-Up Medical Fitness for Duty Evaluations

## **Requirements**

Active NC Physician Assistant or Nurse Practitioner medical license
